

Control4 "Get The Latest And Greatest" Promo

Control4 continues to give you more flexibility, control and ease-of-use than ever before. Now is a great time to make sure you have the latest and greatest Control4® products so you're getting the most out of your system. As a little incentive, we're offering some sweet upgrade deals.

Upgrade to a 7" Touch Screen

The 7" Touch Screens provide a colorful, convenient display that's about 3 times larger than the Mini Touch and they look awesome! With three form factors – in-wall, portable and table top – there's a perfect Touch Screen for every room in your home.

The Offer Trade in a Mini Touch and receive:

- \$200 OFF MSRP \$1,199.00 on the purchase of a new 7" In-Wall Touch Screen
- \$200 OFF MSRP \$1,299.00 on the purchase of a new 7" Table Top Touch Screen
- \$200 OFF MSRP \$1,499.00 on the purchase of a new 7" Portable Touch Screen

Upgrade to a New Remote

The SR-250 remote is the newest hand held remote from Control4, featuring a backlit OLED display, wake-on motion sensing and two-way communication. Powerful enough to control your whole system, the SR-250 is a perfect addition to any Control4® system. At these prices, you'll want to get more than one!

The Offer Trade in your V1 or V2 remote and get \$50 OFF MSRP \$199.00 on the purchase of a new SR-250.

Upgrade to a New Controller

If you're still using a Home Theater or Media Controller to run your Control4® system, it's time to upgrade to a newer, more powerful controller. Future Control4® solutions will require a second-generation controller to drive new functionality so now is a great time to take advantage of the upgrade program and prepare your home for the future! You can still use your HTC or Media Controller within the Control4® system.

The Offer Purchase an HC-300 and get \$100 OFF MSRP \$699.00.

Don't wait too long. These prices are available for a limited time only!
